Safety and Care Advice

Important – Please read these instructions fully before starting assembly

General care and maintenance

Due to the materials used and the handmade nature of the product, each piece is unique and so the appearance may vary.

Dust regularly with a clean dry cloth.

Wipe up any spills immediately with a damp cloth and then dry the surface with a clean dry duster.

Remove stubborn stains with weak washing up liquid solution and a damp cloth and dry with a clean duster.

Do NOT use abrasive cleaners as they can scratch and damage the finish.

Do NOT clean with the following or products containing the following: Acetone (eg nail varnish remover), Ammonia (eg bleach) or Sodium hydroxide (eg Caustic soda, drain and oven cleaners). In the event of accidental contact rinse thoroughly with water.

Always use place mats and coasters to protect the surface from moisture and heat.
