

# Care Instructions

## Cleaning of Solid Timber / Veneers and Lacquered Surfaces.

Any spillage should be removed immediately by using a damp cloth, then wiping dry the surface with a clean dry duster.

Repeat this procedure for periodic cleaning.

The use of furniture polishes or sprays is not necessary or recommended.

## Cleaning of Melamine, Laminate and Metal Surfaces.

Regular dusting with a dry cloth will keep your units clean.

However, to remove stubborn stains, wipe over with a damp cloth and washing up liquid. To clean chrome, stainless steel or glass surface, we recommend the use of proprietary cleaners.

Always follow the cleaning fluid instructions carefully.

If for any reason you should have problems with your Habitat product please contact the store from which you purchased your product.

If you have any comments or suggestions regarding this product, assembly instructions or service received, please enquire at your nearest store or contact us on our website at:
